

The AMMPL

Frankfurt, December 2008

The **German Association Materials Management, Purchasing and Logistics (AMMPL)**, founded in 1954, provides services for 7,000 individual and corporate members, including small and medium-sized businesses as well as Germany's top 200 companies. The AMMPL promotes a dialog between business and academia, both on the demand and the supply side, by providing the necessary networks for communication and knowledge exchange. The association is open to all company types from any sector (industry, trade, banking/insurance, public sector, service providers, etc.).
